

Circle K at The Ohio State University

Are you Ready to Serve?

EDITOR'S STATEMENT

Welcome to the 2019–2020 school year for the Circle K Club at Ohio State University! I wanted to take a moment to say thanks to all of you for being interested in the Circle K at Ohio State University. As a club, we have so much that we can offer to the community. Last year, the 17 members of this club were able to attend 19 events accumulating 250.6 hours of service. That is just amazing! I am excited to see what all of us can do this next year as we continue to serve our community.

Circle K is all about service, leadership, and fellowship. Together as a group, we are here to support each other and to help out where needed at the university and surrounding community. I cannot wait to be awed by the commitment and energy that I suspect all of you will bring to the table.

The board has met several times already to really make next year the best year that it can be. We have plans in place to make sure that we have engaging meetings and fulfilling service activities. Also, it is our goal to recognize everyone's contributions more openly so that we can celebrate the great work that everyone is doing. All in all, there are some exciting plans in the works for this year.

Hope you all have a wonderful start to the year, and welcome again to Circle K!

6	Teeter Totter Marathon	11	Upcoming Events

LIVE TO SERVE,
LOVE TO SERVE

OUR NEW PRESIDENT

Kathryn Hohman is a senior double majoring in Biology and Evolution, Ecology and Organismal Biology (EEOB) with a Spanish minor. She has been involved with the Kiwanis Family since high school when she was a member of Key Club and has now been in Circle K for two years. She is very excited to be serving as president this year. She loves being able to do service with friends and meeting new people. She can't wait to have fun serving the community with everyone while building strong friendships. Kathryn is most looking forward to being able to encourage others to join in service projects as president. Her top three points of advice for the year are:

1. Make the most out of the year; your experiences are what you make of them.
2. Don't be afraid to ask questions.
3. If you have ideas for the club (or another club on campus), please speak up and let others know; all suggestions are appreciated and we love hearing from others what they would like to see. Share your opinion!

Teeter Totter Marathon (TTM) is her favorite project that the club does. She loves being able to go out into the community to meet new people and talk to them about Circle K and what we are doing while also convincing them to teeter totter. President Drake has even been convinced in the past! Outside of Circle K and school, Kathryn plays guitar, is a member of an intramural soccer team, loves going on adventures, enjoys trying new things, and loves to help others! She can't wait to see you all for another year of service, leadership, and fellowship in Circle K!

MEET YOUR OFFICERS

VICE PRESIDENT

MOLLY BAUMANN

As Vice President, Molly helps to organize and run meetings in the absence of the president. She is also in charge of committees. If you are interested in service on one of these, contact Molly.

SECRETARY

ALEX BRYANT

As secretary, Alex keeps a record of all of the meetings and all of the events (including how many hours of service everyone has put in). If you have questions about a meeting you missed, contact Alex.

TREASURER

NICHOLAS GRIBBEN

Nicholas keeps track of the funds for the club and collects dues to give to Circle K international. If you have dues to pay, contact Nicholas.

BULLETIN EDITOR

BRIDGET BROWN

Bridget puts out a bulletin to update the club on past and upcoming events. If you have photos you would like to include in future bulletins, reach out to Bridget
